

## Linde Adsorbent LA25

| INGREDIENTS       | CAS NO     | %   | 8HR OEL  |
|-------------------|------------|-----|----------|
| activated alumina | 1344-28-1. | >95 | 10 mg/m3 |

UN No: **Not Applicable**  
 Hazchem Code: **Not Applicable**  
 DG Class: **None**  
 Subsidiary Risk: **None**  
 Packing Group: **None**  
 Poisons Schedule: **Not Applicable**

## NFPA Rating:

- ▶ 0: Minimum
- ▶ 1: Low
- ▶ 2: Moderate
- ▶ 3: High
- ▶ 4: Extreme

## HEALTH HAZARD INFORMATION

## PRECAUTIONS FOR USE

|                                          |                                                                                           |
|------------------------------------------|-------------------------------------------------------------------------------------------|
| <b>Appropriate engineering controls:</b> | General Exhaust Ventilation adequate.                                                     |
| <b>Glasses:</b>                          | Consider chemical goggles.                                                                |
| <b>Gloves:</b>                           | When handling larger quantities:<br>Leather Gloves.                                       |
| <b>Respirator:</b>                       | Particulate. (AS/NZS 1716 & 1715, EN 143:2000 & 149:001, ANSI Z88 or national equivalent) |
| <b>Storage and Transportation:</b>       | Store in cool, dry, protected area.                                                       |

## PROPERTIES

Solid. Does not mix with water. Does not burn.

## EMERGENCY

## FIRST AID

|                             |                                                                                        |
|-----------------------------|----------------------------------------------------------------------------------------|
| <b>Swallowed:</b>           | Give water (if conscious). URGENT MEDICAL ATTENTION. Rinse mouth with plenty of water. |
| <b>Eye:</b>                 | Wash with running water.                                                               |
| <b>Skin:</b>                | Wash with soap                                                                         |
| <b>Inhaled:</b>             | Blow nose. Rinse mouth with water.                                                     |
| <b>Advice To Doctor:</b>    | Treat symptomatically.                                                                 |
| <b>Fire Fighting:</b>       | Keep surrounding area cool. Water spray/fog.                                           |
| <b>Spills and Disposal:</b> | Avoid dust. Sweep shovel to safe place.                                                |
